SPRING EDITION 2025

ParaPro Exam Review

April 8th, 9th, 10th from 5:30 pm – 7:30 pm EST

This course (free to members) provides current and potential paraprofessionals with assistance in building basic knowledge of reading, writing, and math, as well as how to best support and encourage students in the classroom when building, practicing, and refining these skills. The course also assists paraprofessionals to take the ParaPro Exam.

Facilitator: Kat Nickell from Polk Education Association
